GRAPH TECH QUICK SIZING GUIDE

Use this guide to determine the size of your current parts to assist you in finding a correct replacement.
For a complete listing of over 300 nuts, saddles and bridge pins, please visit our website at www.graphtech.com
Products illustrated are actual size.

IMPORTANT NOTE!

To ensure accurate printing, please print in Adobe Acrobat Reader, set your printer settings to 100%, and make sure no special printing options are selected.

SIZING GUIDE-ACTUAL SIZE

- To locate the actual size measurement use the middle four numbers from the full product code listed throughout the front section of this guide (i.e. PQ-**6116**-00)
- All product codes are listed in numerical order, within each product category
- Line drawings shown on the left of these charts are actual size of the product and can be used as a measurement guide for selecting the correct nut or saddle.
- All product dimensions listed below are in millimeters

■ SLOTTED BASS NUTS
